As the Senior Summer Tag Tournament has so positively grown over the last 3 years and Munster Summer Camps are successfully being run for 6-13 year olds; a gap exists for 12-17 year old category....

Whilst this is something that hasn't been done before for this age group - with a lot of positive feedback coming from members in the local clubs and teenagers in the schools, it was thought to finally put this speculation to the test and organize a Tag Rugby League for the summer....

This is an ideal opportunity for both boys and girls to learn and develop their tag rugby skills and to test you & your team-mates against other teams in the league. What better way to spend an evening a week than being active, meeting new friends and most of all playing in a competitive, fun and safe environment.

Whilst competition is obviously going to be a main factor throughout the league, it is essential that other aspects are taken very seriously such as teamwork, sportsmanship and fair play.
